- Members are encouraged to always obtain prior approval when using Out-of-Network Providers. Precertification will help the member know if the services are considered not medically necessary.

- The Primary Care Physician and Specialist office visit copay applies to both office and facility based office visits for evaluation and management services only.
- Costs may vary by the site of service. Other cost shares may apply depending on services provided. Check your Certificate of Coverage for details.
- The limits for physical, occupational, and speech therapy, if any apply to this plan, will not apply if you get care as part of the Mental Health and Substance Use Disorder benefit.
- † You will pay your PCP or Specialist office visit copay for certain services provided in their office.
- If you have received Urgent Care at an Outpatient Facility (e.g., Hospital or Ambulatory Surgical Facility), benefits for Covered Services will be paid under "Outpatient Facility Services" which is generally coinsurance or coinsurance after your deductible is met.
- Ohio's House Bill 388 and the Federal No Surprises Act establish patient protections including from Out-of-Network Providers' surprise bills ("balance billing") for Emergency Care and other specified items or services.
