¹Choose your contribution amount carefully. Once you are enrolled you cannot change your annual contribution amount until the end of the plan year. ²Daycare contributions may be changed if you change daycare providers, you have or adopt a child, or your child turns 13. Divorced parents should check our website for special rules. Your tax advisor can discuss how you might use this benefit with the child tax credit. ³Check with Chard Snyder customer service to confirm whether your plan allows changes to the amount of your payroll deductions during the plan year. ⁴See the Chard Snyder website for eligible services and merchandise. Federal regulations may change plan features without notice at any time. ⁵See your plan enrollment materials. Some plans offer features that allow extended deadlines.
