

Medical Only List Updates

Effective on January 1, 2022

Medical Only List Updates

The Medical Only List is a safeguard for our clients from costs associated with medications that can and should be processed under a medical benefit. The drug list will be monitored and maintained by our Elixir Pharmacy & Therapeutics (P&T) committee and will be administered outside of the normal formulary exclusion process.

NO ACTION REQUIRED

This document contains detailed information on Medical Only list updates effective on January 1, 2022. Note that while the majority of Medical Only list updates will be effective on January 1, changes may occur mid-year. Contact your Account Manager with any questions.
