

Great Service, Affordable Prescriptions, Convenient Home Delivery—All in One Pharmacy

With Elixir Pharmacy, your medications are delivered to you on time, safely and conveniently. We can coordinate with your doctor to deliver comprehensive pharmacy services, ensuring you get the individual support you need with every prescription fill.

Get the Medication You Need, When You Need It

If you're taking maintenance medications, such as those for high blood pressure, cholesterol or diabetes, home delivery may be a convenient, cost-saving option for you.

- The prescriptions you need, delivered directly to your home in secure, private packaging
- Convenience of 90-day supplies means fewer trips to the pharmacy and less waiting in line
- Potentially lower copays and more savings than traditional pharmacies
- Free standard shipping and delivery tracking with options for expedited shipping
- Refill reminders so your medication arrives when you need it
- Licensed pharmacists dispense medications and are available to answer questions
