EFFECTIVE DATES

Effective Date of Insured’s Insurance. The Insured’s insurance will be effective as follows:

1. if the Policyholder does not require the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured becomes eligible;
2. if the Policyholder requires the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured becomes eligible, provided;
 - a. the Insured has given the Company the Insured’s enrollment form (if required) on, prior to, or within 30 days of the date the Insured becomes eligible; and
 - b. the Insured has agreed to pay the required premium contributions; and
3. if the Insured fails to meet the requirements of 2 a) and 2 b) within 30 days after becoming eligible, the Insured’s coverage will not become effective until the Company has verified that the Insured has met these requirements. The Insured will then be advised of the Insured’s effective date.

Effective Date of Dependents’ Insurance. Coverage for Dependents becomes effective on the later of:

1. the date Dependent coverage is first included in the Insured’s coverage; or
2. the premium due date on or after the date the person first qualifies as the Insured’s Dependent. If an enrollment form is required, the Insured must provide such form and agree to pay any premium contribution that may be required prior to coverage becoming effective.

If the Insured and the Insured’s spouse are both Insureds, one Insured may request to be a Dependent spouse of the other. A Dependent child may not be covered by more than one Insured.

Newborn Children. A Dependent child born while the Insured’s coverage is in force will be covered from the moment of birth for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period.

Adopted Children. If a Dependent child is placed with the Insured for adoption while the Insured's coverage is in force, this child will be covered from the date of placement for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period. If proper notice has been given, coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement.

BENEFITS

Benefits are payable for each Insured Person as shown in the Schedule of Benefits for expenses incurred while this insurance is in force.

In-Network Provider Benefits. The Insured Person must pay any Copayment or any cost above the Allowance shown in the Schedule of Benefits at the time the covered service is provided. Benefits will be paid to the In-Network Provider who will file a claim with the Company on behalf of the Insured Person.

Out-of-Network Provider Benefits. The Insured Person must pay the Out-of-Network Provider the full cost at the time the covered service is provided and file a claim with the Company, unless the Out-of-Network Provider allows assignment of benefits. The Company will pay the Out-of-Network benefits up to the maximum dollar amount shown in the Schedule of Benefits.

LIMITATIONS

Fees charged by a Provider for services other than a covered benefit and any local, state or Federal taxes must be paid in full by the Insured Person to the Provider. Such fees, taxes or materials are not covered under the Policy.

Allowances provide no remaining balance for future use within the same Benefit Frequency.

EXCLUSIONS

No benefits will be paid for services or materials connected with or charges arising from:

1. medical or surgical treatment, services or supplies for the treatment of the eye, eyes or supporting structures;
2. Refraction, when not provided as part of a Comprehensive Eye Examination;
3. services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof;
4. orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses;
5. any Vision Examination or any corrective Vision Materials required by a Policyholder as a condition of employment;
6. safety eyewear;
7. solutions, cleaning products or frame cases;
8. non-prescription sunglasses;
9. plano (non-prescription) lenses;
10. plano (non-prescription) contact lenses;
11. two pair of glasses in lieu of bifocals;
12. electronic vision devices;
13. services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 31 days from the date of such order; or
14. lost or broken lenses, frames, glasses, or contact lenses that are replaced before the next Benefit Frequency when Vision Materials would next become available.

TERMINATION OF INSURANCE

The Policyholder or the Company may terminate or cancel the Policy as shown in the Policy.

For All Insureds. The Insureds' insurance will cease on the earlier of:

1. the date the Policy ends;
2. the end of the last period for which any required premium contribution agreed to in writing has been made;
3. the date the Insured is no longer eligible for insurance; or
4. the date the Insured's employment with the Policyholder ends. The Policyholder may, at the Policyholder's option, continue insurance for individuals whose employment has ended, if the Policyholder:
 - a. does so without individual selection between Insureds; and
 - b. continues to pay any premium contribution for those individuals.

For Dependents. A Dependent's insurance will cease on the earlier of:

1. the date the Insured's coverage ends;
2. the end of the month in which the Dependent ceases to be an eligible Dependent as defined in the Policyholder's application; or
3. the end of the last period for which any required premium contribution has been made.

A Dependent child will not cease to be a Dependent solely because of age if the child is:

1. not capable of self-sustaining employment due to mental incapacity or physical handicap that began before the age limit was reached; and
2. mainly dependent on the Insured for support.

The Company may ask for proof of the eligible Dependent child's incapacity and dependency one month prior to the date the Dependent child would otherwise cease to be covered.

The Company may require the same proof again, but will not request it more than once a year after this coverage has been continued for two years. This continued coverage will end on the earlier of:

1. on the date the Policy ends;
2. on the date the incapacity or dependency ends;
3. on the end of the last period for which any required premium contribution for the Dependent child has been made; or
4. 60 days following the date the Company requests proof and such proof is not provided to the Company.

PREMIUMS

The Company provides insurance coverage in return for premium payment. Premiums are payable to the Company by the Policyholder on behalf of the Insured Person. The Insured Person's first premium is due on the Insured Person's Effective Date. Premiums must be paid to the Company on or before the due date. The initial premium rates are shown in the Policyholder's application.

Premium Changes. The Company has the right to change the premium rates on any premium due date as allowed in the Policy. The Company will provide written notice to the Policyholder at least 31 days before the date of the change. The premium rates also may be changed at any time the terms of the Policy are changed.

Grace Period. The Policy has a 31-day grace period for the payment of each premium due after the first premium. Coverage will continue in force during the grace period. Coverage will terminate at the end of the grace period if all premiums due are not paid. The Company will require payment of all premiums for the period this coverage continues in force, including the premiums for the grace period. The grace period will not apply if the Company receives written notice of the Policyholder's or the Insured's intent to terminate coverage.

Unpaid Premium. When a claim is paid during the grace period, any premium due and unpaid for the Insured Person will be deducted from the claim payment.

CLAIMS

Notice of Claim. Written notice of claim must be given to the Company within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon as is reasonably possible. Notice given by or for the Insured Person to the Company at the Company's home office, to the Company's authorized administrator or to any of the Company's authorized agents with sufficient information to identify the Insured Person will be deemed as notice to the Company.

Claim Forms. The Company will furnish claim forms to the Insured Person within 15 days after notice of claim is received. If the Company does not provide the forms within that time, the Insured Person may send written proof of the occurrence, character and extent of loss for which the claim is made within the time stated in the Policy for filing proof of loss.

Proof of Loss. Written proof of loss must be furnished to the Company at the Company's home office within 90 days after the date of the loss. Failure to furnish proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within that time, if the proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted later than one year from the time proof is required.

Time Payment of Claims. Any benefit payable under the Policy will be paid immediately, but not more than 30 days, upon receipt of due written proof of loss.

Payment of Claims. All claims will be paid to the Insured, unless assigned. Any benefits payable on or after the Insured's death will be paid to the Insured's estate.

Assignment. Benefits under the Policy may be assigned.

Right of Recovery. If payment for claims exceeds the amount for which the Insured Person is eligible under any benefit provision or rider of the Policy, the Company has the right to recover the excess of such payment from the Provider or the Insured.

Legal Actions. No Insured Person can bring an action at law or in equity to recover on the Policy until more than 60 days after the date written proof of loss has been furnished according to the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished. If the time limit of the Policy is less than allowed by the laws of the state where the Insured Person resides, the limit is extended to meet the minimum time allowed by such law.

Claim Appeal Procedure. If the Company partially or fully denies a claim for benefits submitted by an Insured Person and the Insured Person disagrees or does not understand the reasons for this denial, the Insured Person may appeal this decision and the Insured Person has the right to: 1) request a review of the denial; 2) review pertinent plan documents; and 3) submit in writing any data, documents or comments which are relevant to the Company's review of this denial. The Insured Person's appeal must be submitted in writing within 180 days of receiving written notice of denial. The Company will review all information and send written notification within 60 days of the Insured Person's request.

GENERAL PROVISIONS

Clerical Error. Clerical errors or delays in keeping records for the Policy will not deny insurance that would otherwise have been granted, nor extend insurance that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

Conformity to Law. Any provision of the Policy that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

Entire Contract. The Policy, including any endorsements and riders, the Certificate, the Policyholder's application, which is attached to the Policy when issued, the Insured's individual enrollment form, if any, and the eligibility file, if any, are the entire contract between the parties. A copy of the Policy may be examined at the office of the Policyholder during normal business hours. All statements made by the Policyholder or an Insured will, in the absence of fraud, be deemed representations and not warranties, and no such statement will be used in defense to a claim hereunder unless it is contained in a written instrument signed by the Policyholder, the Insured, the Insured's beneficiary or personal representative, a copy of which has been furnished to the Policyholder, the Insured, the Insured's beneficiary or personal representative.

Amendments and Changes. No agent is authorized to alter or amend the Policy, or to waive any conditions or restrictions herein, or to extend the time for paying any premium. The Policy and the Certificate may be amended at any time by mutual agreement between the Policyholder and the Company without the consent of the Insured, but without prejudice to any loss incurred prior to the effective date of the amendment. No person except an Officer of the Company has authority on behalf of the Company to modify the Policy or to waive or lapse any of the Company's rights or requirements.

Incontestability. After the Policy has been in force for two years, it can only be contested for nonpayment of premiums. No statement made by an Insured Person can be used in a contest after the Insured Person's insurance has been in force for two years during the Insured Person's lifetime. No statement an Insured Person makes can be used in a contest unless it is in writing and signed by the Insured Person.

Insurance Data. The Policyholder must give the Company the names and ages of all individuals initially insured. The names of persons who later become eligible (whether or not the person becomes insured), and the names of those who cease to be eligible must also be given. The eligibility dates and any other necessary data must be given to the Company so that the premium can be determined.

The Company has the right to audit the Policyholder's books and records as the books and records relate to this insurance. The Company may authorize someone else to perform this audit. Any such inspection may be done at any reasonable time.

Workers' Compensation. The Policy is not a Workers' Compensation policy. The Policy does not satisfy any requirement for coverage by Workers' Compensation Insurance.

The following applies when the Policy serves to replace similar coverage the Policyholder previously obtained through another plan or policy.
